Dear sir:- I understand from one of the St Brothers that you are a collector of coins. Would say that I have a U.S. $10 gold coin 1799 which shows practically no wear & which I will sell. Below is a pencil impression of the coin & if you are interested would be pleased to let you inspect it by appointment either at your or my address at your convenience.

Awaiting your reply

Very truly yours
Joel G. Clemmer
